

MAIL ART DAY

December 5 *

SUPPORT COUPON

Since 1999 VORTICE ARGENTINA has been collecting supporting signatures in order to issue a Mail Art-related postage stamp, as it's our intention the Argentinian Mail commemorates that exhibition by issuing it. We would need not less than 1,000 signatures, being them from Argentinian or foreign artists. These coupons are essential in order to complete the project to be presented to the Argentine Mail Office. Thus, only the originals are accepted by us; otherwise, we won't take any documentation. You can make photocopies of this invitation and pass along to other persons to support the project.

NO DEADLINE RECEPTION

Send the support coupon to:
